

Disposition of Principal Investigator Fee

Account Number: _____ Date: _____

Title of Research Project: _____

The above research project is funded and administered through a research contract held by the University of Saskatchewan. The terms of the contract include a provision for the payment of a fee for the services of the Principal Investigator. The amount of _____ will be paid to the Principal Investigator as income for carrying out the research and meeting any deliverables under the terms of the contract.

It is understood that the disposition of these funds is conditional upon the satisfactory completion of the research project (for projects < 1yr in term) or the completion of certain phases or milestones of the project (in those instances where the project is multi-year). The payment may be reduced or eliminated if the research under the contract involved an over expenditure which was not approved and funded by the external agency.

Pursuant to Article 18.5.5 of the Collective Agreement between the University of Saskatchewan and the University of Saskatchewan Faculty Association, all payments in excess of \$8,000 to any one employee in any academic year require the approval of the Joint Committee for the Management of the Agreement.
