

Notice of Intention to Apply for a SSHRC Grant / Request for Internal Review

Please submit the completed form to grant.review@usask.ca. This information will alert your ADR/ Vice-Dean/ Director, Research Facilitator and Research Services of your intention to apply and help to ensure you have the support you need as you prepare and submit your application. It will also help us to plan for internal review.

ADR/ Vice-Dean/ Director:

[Research Facilitator](#) (if applicable):

SSHRC Program:

Type of Submission (*check one*):

New application

Resubmission

Project Title:

Keywords that best describe your proposed research:

[Internal Review](#):

I would like my application to be peer reviewed

Internal review is currently available for Insight, Insight Development and Partnership Development Grant applications. To provide the best possible match for peer review, please use the following page to suggest reviewers and provide a one-page summary of your proposed research.

Please suggest **up to 3 researchers** who would be able to provide a review without conflict of interest. You may also suggest expert reviewers in your discipline who are external to the UofS.
