

CRC Advisory Subcommittee Terms of Reference

The CRC Advisory Subcommittee will provide a forum for collegial consideration and serve as an advisory body to the USask Research Chairs Oversight Committee (OC) on matters pertaining to the recruitment, nomination, and renewal of Canada Research Chairs.

Membership

- Associate Vice-President Research – Co-chair
- Vice-Provost Faculty Relations – Co-chair
- Senior scholars representing the SSHRC, CIHR, and NSERC communities
- Director, Research Acceleration and Strategic Initiatives (RASI), OVPR
- Research Specialist, RASI (resource)

Mandate

- Provide recommendations to the USask Research Chairs OC on: a) the allocation of and recruitment for vacant CRC positions; and b) renewal of CRCs.
- Upon request from the USask Research Chairs OC, provide advice on search and renewal procedures.
- Provide a consultative role to the USask Research Chairs OC and CRC Search Subcommittees during the search process.
- Provide formative feedback in the development of new and renewal CRC nominations; and recommend to the USask Research Chairs OC the suitability of the candidate and the nomination to proceed to submission.

Meeting Schedule

The Committee will meet at the call of the co-chairs.

Evaluation

The Terms of Reference will be reviewed every two years or as needed.
