### Diagnostic Testing Services

\* Please refer to the Prairie Diagnostic Services Inc. website for details on testing services: [www.pdsinc.ca](http://www.pdsinc.ca)

\* If any **Diagnostic Testing Services** are required from PDS for use in this project, please contact the PDS Director of Project Management and Stakeholder Relations ([gloria.patry@pds.usask.ca](mailto:gloria.patry@pds.usask.ca) or 306-966-4306). The Project Manager will provide estimates on the costs associated with the services requested (allow a minimum of 2 weeks for estimate).

\* When the project has received the appropriate Safety Resources (e.g. biosafety) permits and AREB approval, the researcher/ course instructor should complete the **PDS Checklist for Project Requests Contracts Form (Forms)** and contact the PDS Director of Project Management and Stakeholder Relations ([gloria.patry@pds.usask.ca](mailto:gloria.patry@pds.usask.ca) or 306-966-4306) again to create a Contract for the project (allow a minimum of 2 weeks for contract).

### Necropsy Facility Use

\* To book the PDS Necropsy Facility for research-related Necropsy Examination purposes, please contact the PDS Director of Project Management and Stakeholder Relations ([gloria.patry@pds.usask.ca](mailto:gloria.patry@pds.usask.ca) or 306-966-4306). The Project Manager will provide estimates on the costs associated with the services requested (allow a minimum of 2 weeks for estimate).

### Animal Disposal Services

\* Whole bodies and/or tissues from research or teaching animals will be received in the Necropsy Facility for disposal. This waste must be enclosed in leak-proof packaging: all plastics, bandaging, rope, gauze and metal objects must be removed prior to submission.

\* The **PDS Animal Disposal Submission Form (Forms)** must be completed and submitted with animal bodies or tissues presented for disposal.

\* Contact the Pathology Area Supervisor, PDS Necropsy Facility (306-966-7318) to schedule animal disposal submissions. Disposal submissions are accepted Monday to Friday 8 AM - 4 PM, please provide Necropsy Lab (306-966-7318) with as much notice as possible prior to submission.
